SNACKS

TERRACE „RIO GRANDE“

Granted, this Rio is not always truly grande - but the view of our local Saalach river and its soothing sound make this terrace a relaxing oasis of well-being.

TIP
Morning sun for waking up, cool and shady in the afternoon.

TERRACE „STEINBERG BLICK“

This sunny terrace reveals a new and unusual perspective on our stunning mountain panorama - the Loferer Steinberge.

TIP
The perfect place to refuel your vitamin E in the afternoon.

FOAM PRINTER

With it, we print funny motifs or even your selfie onto your cappuccino. Just visit us at the bar - we'll show you how it works.

CHOCOLATE PRINTER

We at SUN WOOD and Stainer print nearly everything. Even chocolate - in 3D! This way we can print our very own chocolate decoration for our tasty desserts!

TATTOO-SHOP

Save yourself the painful visit at the tattoo studio: Our skin friendly „Print Tattoos“ are produced by ourselves and prove to be the hit at every celebration or birthday party!

A MEADOW FOR BEES

Spread the bee love! We gave our old gum vending machines a particularly valuable function: It throws out flower seeds for colorful meadows from now on. With this you support the busy bees in their search for food.

MAKUTI GIFT-SHOP

Fun wood signs, expressive landscapes or your own picture on wood: In our picture- and sign shops you'll find gorgeous accessories for your home.

SPECIALITIES SHOP

With our specialities shop, we support local small businesses and offer a fine selection of products for you and your loved ones.
